

Purchase of Hostile Vehicle Mitigation Equipment

Start date: 14th January 2025

Delivery date: February 2025

Stadium Traffic Management Ltd are looking for suppliers to deliver Hostile Vehicle Mitigation equipment to Coventry, UK. We are tendering for quotes on equipment that meets the following criteria:

- PAS68 or ISO22343 certified.
- Surface mounted that can be deployed into any location of choice with no dependency on any other fixed infrastructure.
- Can be installed with manpower and does not require any additional machinery to manoeuvre for installation and removal.
- Can allow access to emergency vehicles within 30 seconds.
- Innovative and easy to transport in vehicles up to and including 18T.
- Can evidence its use at other major events within the UK.

We are looking to purchase approximately 50m of equipment.

We expect to proceed with this purchase as soon as possible (January 2025) with delivery by February 16th at the latest. Payments will be made in advance with immediate delivery to be made upon receipt. We will assess each bid for the tender in the following way:

- Price (40%)
- Timescales (30%)
- PAS68 Ratings (30%)

If you are interested in tendering for this opportunity or if you would like to know more, please contact the team on info@wearestadium.com.

This tender will be advertised for the next 15 working days, the closing date is Monday 13th January 2025 **at 11:59pm**

This project is part-funded by the UK Government through the UK Shared Prosperity Fund.
